# INTRODUCTION

## THE EVIL SERPENT AND ITS MANIPULATIONS

---

**Genesis 3: 1-5** – Now the serpent was more cunning than any beast of the field which the Lord God had made. And he said to the woman, “Has God indeed said, ‘You shall not eat of every tree of the garden’?”

And the woman said to the serpent, “We may eat the fruit of the trees of the garden; but of the fruit of the tree, which is in the midst of the garden, God has said, ‘You shall not eat it, nor shall you touch it, lest you die.’”

Then the serpent said to the woman, “You will not surely die. For God knows that in the day you eat of it your eyes will be opened, and you will be like God, knowing good and evil.”

---

**T**his book is part of my quick sermon series. They are messages and prayers designed to make scriptures come alive to you. As you read and pray with them, expect the power of God to move in your life.

Shall we begin?

Okay, let's re-read the opening scripture.

Actually, you can read further and get the entire picture of what happened right there in the garden.

Since this is the first part of my teaching on ***The Old Serpent and Its Tricks***, we will skip some facts about the serpent in today's message. But you have to know that the serpent here represents the devil.

Again, you have to know that whatever the devil succeeded in doing against Adam and Eve in the garden, it was not some coincidental manipulation. It was

a carefully thought out plan that the kingdom of darkness executed.

---

***There was no accident in what happened in the garden of Eden. It was carefully planned and executed, and the same strategy is also being employed against us today.***

---

The devil always stands against everything that God is doing. That's why he is called the archenemy of God.

Because we are of God and we are restored to Him in the garden, the

devil will rise against us from time to time. He will try to do the same things he did to Adam and Eve. He ultimately wants us to be chased out of the garden. But I pray today: you will not be chased out of your garden of Eden, in Jesus name.

Another thing I want you to learn with me today is that the same pattern of attacks is repeating in our lives today, and that's what I want to share with you. You have to be watchful against these attacks and rise against them in prayer, today and every day.

## **ATTACK #1**

# **UNBELIEF: MAKING GOD A LIAR; MAKING IT LOOK LIKE HIS WORD IS NOT WORKING**

---

“...Has God indeed said, ‘You shall not eat of every tree of the garden?’”

And the woman said to the serpent, “We may eat the fruit of the trees of the garden; but of the fruit of the tree, which is in the midst of the garden, God has said, ‘You shall not eat it, nor shall you touch it, lest you die.’”

Then the serpent said to the woman, “You will not surely die. For God knows that in the day you eat of it your eyes will be opened, and you will be like God, knowing good and evil.”

---

**T**hink about this for a moment. How did the serpent know what God had told them? He wasn't there when God gave them the instruction, and he isn't all-knowing. So how did he know what God said to Adam and Eve about that tree?

God does not consult the devil before He plans our lives and

destinies. He designs it and hands it over to us as we start seeking and having fellowship with Him.

The devil can only guess what God is telling us or doing in our lives by lurking around, observing, and listening. That was how he knew what Adam and Eve were told about the tree of knowledge of good and evil.

And that is the first thing I want you to learn as we proceed in this message. What every enemy knows about you is what they learn from you. The devil is limited in knowledge, and so are his agents. They use what they

learn from and around us - our behaviors, confessions, anxieties, fears, and worries - to plan their attacks against us.

---

***In other words, we are  
the ones who feed the  
devil and his agents  
with the information  
they use against us.  
And we do it most times  
unknowingly.***

---

The second thing I want you to remember here is that the enemy will never succeed in your life without your cooperation. He cannot deceive you unless you

allow him. He cannot overwhelm you without your consent.

He was only able to unleash his attacks on Adam and Eve because they gave him a listening ear and entertained his conversation and lies. May you not give the devil some attention in your life nor engage his lies, in Jesus name.

Take these prayers right now:

1. Heavenly Father, I refuse to be the means through which Your enemies and my enemies will use and learn about Your plans for my life, in Jesus name.

2. May all agents of darkness with demonic mission in my life and family, looking for what to use against us, remain in perpetual confusion, in Jesus name.

3. From today, I declare that I will not cooperate with the enemies of my soul, life, health, business, family, and finances, knowingly or unknowingly, in Jesus name.

4. May the voice of lies and deceit ringing in my head and my heart cease from today. I reject all satanic lies trying to lure me away from God's purpose for my life, in Jesus name.

## **DID GOD LIE TO ADAM AND EVE?**

Let's go back to that scripture again. Can you imagine that satan told them that God lied? He said to them that they would not die as God had told them.

But did God lie?

God is not a man, so he does not lie. He is not human, so he does not change his mind. Has he ever spoken and failed to act? Has he ever promised and not carried it through? (Numbers 23:19 NLT)

But in the garden, the serpent succeeded in telling them that God lied.

Now, that's the greatest attack of satan against us: to convince us that what God said or did isn't true.

In the garden, he told Adam and Eve that they would not actually die as God had said. He sold them a lie that God lied. Unfortunately, he was the one lying to them.

Jesus would later warn us about the devil. He made it clear that the devil is a murderer and a liar from the beginning and had no truth in him.

For you are the children of your father, the devil, and you love to do the evil things he does. He

was a murderer from the beginning. He has always hated the truth because there is no truth in him. When he lies, it is consistent with his character, for he is a liar and the father of lies (John 8:44 NLT).

Can you now see that!

Satan lied to them that God lied. Sadly, the first family believed him, and the rest is history. They did not see through the lies of the devil. They didn't remember that death is not only when the physical body is rested in the grave. The worse death is disconnection from God.

---

***When we are  
disconnected from  
God's presence, that's  
the first and worse  
death***

---

Today, the devil is doing the same thing against us. The strategy has not changed. He is always trying to misinterpret scriptures to us and make us believe that what God said is not actually what he said. He is still trying, struggling, and doing everything he can to convince us that God's word is not the way it is.

Every day, we are inundated with things struggling to sell the notion

to us that God is a liar. While they may not be shouting in our ears and saying, “God is a liar,” that’s all they’re subtly trying to do in our hearts.

Every time something is trying to make you believe that God’s word is not precisely the way it is, to make you think that maybe, God has changed from the first things He said, it is the same manipulation being repeated against you.

Every time you are pressured to start doubting God’s promises and looking for easier ways out from

your predicaments, that's the same manipulation happening.

Every time you start wondering and complaining that God is not answering prayers or saying that prayers don't work, the same manipulation and deception are happening.

When your positivity and faith towards the Word of God are decreasing, and you find yourself starting to doubt the very things you once defended, watch it. It is the devil attacking your mind the way he did to Adam and Eve.

---

***The serpentine  
manipulation is a***

***secret attack in your  
mind that kills your  
faith and positivity  
towards the word of  
God and His promises.***

---

When you start to have the strange notion that it's no use praying, fasting, and depending on God, watch it. It's the old serpentine trick and manipulation happening. It is one of the biggest attacks subtly going on against your life.

Today, come in prayer and cancel every attack of the serpent in your mind. Declare the serpent's mission null and void.

God is not a liar. Everything He says is the way it is. His word cannot be judged by what is happening physically or what is not happening.

The doctor may say you're ill. But that doesn't mean that Jesus did not carry your sickness on the cross. You may have waited for your marriage to happen and it's taking forever, but that does not mean God lied that you will have your mate. Reject the lies of the devil. God is not a liar. He will fulfil His word.

## ATTACK #2

### DISCONNECT: DESTROY THE DIVINE FELLOWSHIP

---

**Genesis 3: 8-10** – . When the cool evening breezes were blowing, the man and his wife heard the Lord God walking about in the garden. So they hid from the Lord God among the trees. . Then the Lord God called to the man, “Where are you?”

.. He replied, “I heard you walking in the garden, so I hid. I was afraid because I was naked.”  
(NLT)

---

**T**his was the second thing the serpent did through his manipulation. He destroyed Adam and Eve's fellowship with God.

Unbelief was the first bomb he threw against the first family. The moment he got them to start thinking that maybe God lied, he destroyed their fellowship with God.

Before that invasion, Adam and Eve communed with God every day. They had direct access and talked audibly. After the attack, the fellowship was lost. The serpent, the devil, ruined it.

Unfortunately, it is the same thing he is trying to do to us today and every day. It's the same manipulation and the same strategy. First, he begins to create room for us to argue and doubt the reality of God's Word. Then next, he strikes and ruins our divine fellowship.

The devil is always trying to destroy our fellowship with God. He's constantly attacking and trying to keep us away from God's presence. Why?

The devil knows that if our fellowship with God is intact, unbroken, and healthy, he's never

going to succeed around us. We will not only save ourselves from him, but we will also save millions of others. Hence, he does everything he can to keep us away from having genuine fellowship with God. He fights our fellowship with God with everything he's got.

The devil will rather we keep forming woke and keep arguing on social media about politicians and the unemployment rate than spend time hearing from God and communing with him.

It is fellowship with God that reveals and aligns us with His

purpose and plan, not arguing about the state of the economy.

If you must win your race, you must recognize and resist the manipulation against your fellowship with God. It's an attack from satan.

Fight against anything that fights against your fellowship with God. Destroy it because that fellowship is your anchor to safety.

## **ATTACK #3**

# **SHAME: DISHONOR, HUMILIATION, AND DISGRACE**

**Genesis 3: 6-7** - . The woman was convinced. She saw that the tree was beautiful, and its fruit looked delicious, and she wanted the wisdom it would give her. So she took some of the fruit and ate it. Then she gave some to her husband, who was with her, and he ate it, too.

. At that moment, their eyes were opened, and they suddenly felt shame at their nakedness. So they sewed fig leaves together to cover themselves.

**A**fter Adam and Eve ate the fruit, they became aware of their nakedness. Their spiritual covering was broken, and their glory left. They became victims of shame.

That was the demonic mission all along – to cause shame. The fruit was an exchange for their glory.

---

***May everything  
designed to exchange  
your glory be exposed  
and removed from your  
life, in Jesus name.***

---

Today, it's still the same thing the devil wants to accomplish in our lives. That's why we must resist him. He's constantly plotting to:

- “Destroy our covering and humiliate us.
- “Shame us.
- “Attack our boldness, confidence, and faith, and keep us anxious, depressed, afraid, and never genuinely standing up and challenging the devil.
- “Magnify our mistakes, weaknesses, and sins and keep us running from God every day.

That's what he did in the garden, and that's what he is also doing today. The self-guilt trips, self-pity parties, and inferiority complexes are nothing other than the serpent's attack to shame.

Today, I challenge you to rise and declare: *no more shame.*

---

***If you've missed it in  
the past, repent and  
accept God's  
forgiveness. Refuse to  
be ashamed anymore.***

---

Don't allow people's views, judgments, opinions, and social media comments to dictate how

your life will run. God says you should close up the door you're opening in your mind for shame. Close it up now.

It's the devil who is constantly working with the world, and sometimes, even with church people, to shame. God wants you covered.

No matter where your life is today, there is divine covering for your shame. Trust God and resist the serpent's attack to shame.

## ATTACK #4

# THE MYSTERY HARD LABOR

---

**Genesis 3: 17-19** - <sup>17</sup> And to the man, he said, “Since you listened to your wife and ate from the tree whose fruit I commanded you not to eat, the ground is cursed because of you. All your life, you will struggle to scratch a living from it.

<sup>18</sup> It will grow thorns and thistles for you, though you will eat of its grains.

<sup>19</sup> By the sweat of your brow, will you have food to eat until you

return to the ground from which you were made. For you were made from dust, and to dust, you will return.”

---

**A**nother thing that happened with the serpentine conspiracy against Adam and Eve was that their ground became cursed.

I know. God cursed their ground. But you have to ask what led to that.

It was the serpentine attack.

Every time we yield to unbelief, we ruin our divine fellowship, lose

God's presence, and become exposed to the mystery of hard labor.

The moment Adam and Eve lost God's presence, it was only normal for them to face the hardship of cursed ground.

To produce anything, they had to go through a lot of sweat and pain. They had to suffer. God didn't plan it so in the beginning.

Thankfully, Jesus has canceled this curse through his death. All those in Christ are free from this curse on the ground.

“But pastor,” you say, “We see too many Christians go through a lot of hardship and pain just to make ends meet. No job, no promotion, constant abuse and put down, constant loss of investments and assets, no joy, no help. Why so?”

The illusion of the curse.

The serpent is the greatest illusionist. When God does something, he creates a fake version to counter what God has done. He either creates it to challenge God’s own or to deceive people and lure them away. Remember the case of Moses’

snake rod and pharaoh's fake snakes.

The devil creates pains to paint the illusion that Christ did not end the curse.

For instance, that you are sick does not mean Christ did not carry your sickness on the Cross. He did. The sickness in your body today is a work of satan designed to make you think that what Christ did isn't real. It's a satanic illusion.

What I'm saying is this: recognize that the sufferings and pains in your life right now are not proof that God does not love you. They are not proof that Christ didn't die

and didn't already deliver you from them. He did. The devil is the one creating an illusion to sell the idea that Christ didn't.

Join me today and reject every satanic illusion, deception, and make-believe in your life, in Jesus name.

We must learn to rise against the curse illusion from time to time. We must arise and reject every situation that wants to build up a lie in our hearts about the love of Christ, our salvation, healing, and deliverance. We must arise and reject whatever God has taken

away through the death of Jesus in  
your life.

## ATTACK #5

# BANISHED: CHASED OUT OF THE GARDEN

---

**Genesis 3:23** - So the Lord God banished them from the Garden of Eden, and he sent Adam out to cultivate the ground from which he had been made.

---

**T**he last consequence of the serpentine conspiracy and attack in the garden was the expulsion of Adam and Eve from the garden.

The garden was their safety zone; it was their refuge and protection against events outside the garden.

Unfortunately, when the serpent showed up, they lost the garden. They lost their safety and refuge and became partakers of the events outside the garden – poverty, travails, hard labor, death, and everything not good.

Thankfully, in Christ, we're back in the garden. So, we break the curse of the serpent and declare that we will not be chased out of our gardens.

Yes, we are in the world, but we are not of the world. We are

protected from the events outside the garden, in Jesus name.

## **IN AND OUTSIDE THE GARDEN**

Beware of even the slightest unbelief in your heart. Its end goal is to lead you out of the garden of God's presence and safety. To bring you to a place where you will not be under God's protection anymore.

In the garden, they had access to divine communion. They related with God as father and children. Outside the garden, they were far away from God.

In the garden, they had access to peace, joy, and abundant life. Outside the garden, they were victims of turmoil, confusion, and darkness.

In the garden, their labor was productive. Adam named all the animals. He didn't struggle with productivity and success. His labor yielded fruits. But outside the garden, he was subjected to work without guarantee. He was subjected to excruciating, agonizing, and cursed efforts.

In the garden, the animals and the forces of nature were friendly to them. Outside the garden, the

forces of nature fought against them.

It is a painful thing to live outside the garden. Thankfully, all who receive Christ in their lives are spiritually restored to the garden. While we may not be in the physical Eden right now, we are in the spiritual Eden. The grace of God is restored to us. We have access to daily communion with God, productive labor, and protection from all events outside the garden.

Today, I want you to rejoice. If you are a child of God, you are not outside the garden. You are

already restored. Tell the devil, “Hey, satan, I’m in the garden. I’m protected from your activities. You will not succeed over my life, marriage, ministry, and family. I reject your lies, fears, and deceits henceforth, in Jesus name.”
